

# Carnelian-Marine-St. Croix Watershed District

Regular Meeting Agenda - Online Zoom

**July 21, 2020 6:30 PM**

**Regular Meeting**

Welcome

- What activity do you enjoy the most that involves water? Why?
- Who do you hope will benefit most by your being on the CAC and why?
- What do you hope to provide for the watershed district and why?

Virtual tour of the watershed

Public survey results

- What?
  - What items seem to be of most concern to residents?
  - What items seem to be of least concern to residents?
  - What trends do you notice?
- So What?
  - Of the following general things staff do, what seem to be most important to the public?
  - How do these results compare to your own opinion about these questions?
  - How do the results compare with those of people you frequently come into contact?
  - What does the survey suggest about the importance of enforcement?
  - What does the survey suggest to you about how much residents know about water-related requirements? (e.g., shoreland buffers, need for permits and approvals)
  - What did you learn about the district?
  - What questions do you have, after reviewing the results
- Now What?
  - Given what you see, what should your next steps be as a CAC member to learn more about public opinion on water-related issues?
  - What could be done to increase public knowledge of shoreline regulations?
  - What could be done to increase participation in the next survey the district does?
  - If we could afford more staff, what should we focus on?

CAC priorities and concerns

Wrap up

Optional social time
